

FOLSOM CITY ZOO
SANCTUARY

ZOO-TO-YOU!

From classrooms to senior centers, libraries to churches, let us bring the Folsom City Zoo Sanctuary to you! We invite you to learn about the Folsom City Zoo Sanctuary, its animal residents and how we can all help “keep wild animals wild.”

The 30 – 45-minute program will begin with a power point presentation introducing the Folsom City Zoo Sanctuary, the animals that live there, why the animals live at the zoo, and how we can help animals stay wild.

Touchable animal biofacts are used to assist in a discussion of what animals need to live and survive in the wild. A particular topic such as habitat, diet, adaptations, etc. can be requested.

The program is currently being offered at No Cost to bring awareness to the Folsom City Zoo Sanctuary, its animals and mission statement – “Teaching responsible behavior toward all animals.”

We look forward to hearing from you!

Presentations should be reserved a minimum of 30 days in advance.
